

Rush County Schools Portrait of a Graduate Survey

A portrait of a graduate is a shared vision among students, educators, and community stakeholders that provides a North Star for strategic planning of the student experience. Rush County Schools would like your input on what you feel are the most important characteristics of a Rush County School Graduate. Our committee will take these survey results and determine the top 3-5 traits, skills, or mindsets. This is a KG-12 initiative. This two question survey will be open until January 20th at 3pm.
