Welcome!

The faculty and staff at Rushville Consolidated High School (RCHS) are committed to helping our students learn, grow, and thrive! It is our desire to maintain a safe learning environment that includes addressing students’ academic, social, and mental well-being. Our motto: “Excellence is Our Expectation” is evident in all aspects of our school. It is the expectation that students, faculty, and staff strive each day to achieve excellence and to not settle for anything less. We do not want RCHS to be a good school; we want it to be an **excellent** school in all ways!

RCHS has a long tradition of demonstrating Lion pride and excellence in: academics, athletics, social behavior, and in a wide variety of clubs, organizations, and activities. For a school of less than 700 students, RCHS offers a vast range of curriculum opportunities including fine arts, vocational programs, dual-credit, and Advanced Placement (AP) courses. Students have the potential of earning one year or more of college credits. The Opportunity School is another educational environment in which our students learn and complete coursework at their own pace. Regarding technology, we are a One-to-One School with every student utilizing a Chromebook. RCHS athletes compete in the majority of the Indiana High School Athletic Association (IHAA) sports offerings. We have an extensive variety of clubs, organizations, and activities that affords our students the chance to dynamically connect with the school and community. There is something for everyone at RCHS!

As the Proud Principal of RCHS, the following quote from Vince Lombardi exemplifies the concept of excellence that I desire for students. “The quality of a person's life is in direct proportion to their commitment to excellence, regardless of their chosen field of endeavor.” I hope that you enjoy your visit to our site and please feel free to contact me if I may be of assistance.

Go Lions!

Rob Hadley
RCHS Principal
