Welcome,

The staff of Rushville Consolidated High School have high expectations and many goals for the students in our school. The safety and well-being of the students and staff is our first priority. We make most of our decisions based on the safety of the school and what is best for kids. Our entire staff has high expectations of student behavior, academic prowess, and being a well-rounded person. Our goal at RCHS is for students to leave better than when they arrived. The mantra that we go by is “Leave It Better Than You See It!”. This can pertain to everything that we do on a daily basis and is a simple mantra to follow.

Rushville Consolidated High School has deep traditions in high academic achievement, athletic excellence, and state-leading co curricular activities and organizations. RCHS offers a wide variety of courses with numerous dual credit and AP offerings. A four year student at RCHS has the opportunity to graduate from high school with one to two years of college credits. This is a big advantage for those wanting to further their education beyond high school. At Rushville we have many other programs in place that will aid students at every level to get what they need. RCHS strives to give every student the tools they need to be successful in life. RCHS athletics offers 17 different IHSAA sports for students to be involved in at many different levels. We have a diverse variety of clubs and organizations that give our students the opportunity to discover a passion. There really is something for every student at RCHS.

Thank you for visiting our website and taking the time to read my welcome. I hope that you are able to find all the information you are looking for on our site and that you enjoy navigating around, looking at the great opportunities that we offer here at RCHS. Please, feel free to contact me at any time if you need assistance.

Sincerely,

Warren E. Cook

RCHS Principal
